THE CITY’S MOST POPULAR PATIOS

Picture it: the sun is shining warm on your smiling face. You’re with your people, laughing and catching up over apps, maybe with a local craft beer or curated cocktail in hand.

You’ve got nowhere else to be but here and we have two glorious words for you: PATIO SEASON! New to London? We’ve got you. If you’re a local, you may be familiar with some of these popular patios, but have you been to them all? Support one of your tried-and-trues or try something new!

You can’t talk about patios in London without mentioning Barney’s Lounge & The Ceeps. Located in the downtown core, and in close proximity to Western University, this is one of London’s oldest and most popular patios. Even celebrities like Ed Sheeran have stopped by!

Enjoy delicious drinks and deep-fried apps in this laid-back, fun and lively atmosphere.

Located across the street is Jack Astor’s Richmond Row. With two patios to choose from, street-level and rooftop, you’re sure to enjoy your time here. Watch as the Jack Astor’s bartenders practice their “flair” while you cool down under a mister with a Big Astor Fishbowl in hand (well, probably both hands – they’re huge!).

Looking for a patio to enjoy a coffee on? Check out Black Walnut Bakery Café and enjoy a hand-crafted beverage with homemade sweet and savoury treats. Every baked good is made on site and every coffee bean is hand roasted!

With a wide variety of vendors featuring cuisine from all over the world, Covent Garden Market is the go-to lunch spot in downtown London. Their enormous, bright and sunny patio has a ton of picnic tables (some more artistic than others) so you’re almost always guaranteed a seat!

Another hip spot by the unstoppable Wolfe Pack, Los Lobos serves up unique, modern Mexican cuisine and tequila-focused craft cocktails. Their patio is fenced, private, partially covered and the perfect summertime destination.

Following the British tradition of the gastro pub by specializing in locally sourced food done with gourmet flair, the Church Key Bistro Pub is your destination pub. Enjoy an impressive selection of craft beers or order off their extensive Sunday brunch menu on their intimate outdoor courtyard. It’s pure patio bliss.

Ranked by OpenTable as one of Canada’s most popular patios in 2023, the Italian restaurant Dolcetto has something for everyone. Whether you’re looking for mouth-watering pizza, fresh, crisp salads or just a chance to enjoy a specialty cocktail on the patio before you eat, this is the place for you.

Did you know that Blackfriars Bistro, one of London’s unique places for a great farm-to-table experience, also offers an outdoor patio for you to enjoy? From their incredible charcuterie boards or their signature Blackfriars Burger, everything tastes better when eaten outdoors!

IN THE FOREST CITY

The secret to a great trip is the memories behind it. What better way to remember your time in the Forest City than by capturing some iconic shots for your social media feeds. Here are some suggestions for the best places to snap photos to ensure your friends and followers double tap on your experiences.

MURALS

If your feed focuses on the bright, the vibrant and the outdoors, you won’t want to miss a stop at the Market Lane Murals in the downtown core. Painted as a part of the theme ‘Forest City Playground’, Market Lane is now home to four stunning works of art by three talented artists who have sparked important conversations, challenged thoughts and encouraged viewers to slow down and admire the surroundings. Want to encourage conversation on your feed? Mark this as a stop in your Forest City itinerary.

Also painted as a part of the ‘Forest City Playground’ theme, Hamilton Road’s Neighbourhood Laundromat Café Mural showcases an art piece as bold and vibrant as the neighbourhood it’s in. The message of “Explore the Forest” hopes to motivate people to become tourists in London, to explore new and unfamiliar areas or appreciate a bit more of what’s in their own backyard. While you’re there, check out the interactive angel wings on the opposing side of the building and grab a snack from inside the café to complete the post.

London’s Old East Village is home to some of the city’s most stunning murals. From hand painted pieces a part of the BIA’s Main Street Mural Program, to stunning mosaics made up of thousands of brightly coloured ceramic pieces (organized and facilitated by Clayworx: Ceramics Arts Learning Centre), these large-scale, longstanding works of art will represent the OEV for years to come.
RESTAURANTS

**Dimi’s Greek House** provides an experience and atmosphere that you won’t want to miss capturing for the “gram”. Be sure to snap a selfie if you’re lucky enough to get a seat in front of their Merola tiled walls – we promise it’ll be profile photo worthy. Or participate in the fun with their traditional plate smashing when celebrating milestones – Opa! While you’re enjoying the atmosphere, be sure to try out their Instaworthy lamb chops, racked up or order a plate of their famous saganaki and catch the flaming action on your stories – just be sure to watch out for your eyebrows!

**Los Lobos** is owned and operated by London’s iconic brother duo, The Wolfe Brothers. Greg and Justin Wolfe have found success with fun, wacky and busy decor in their restaurants and this family-style modern Mexican restaurant is no exception. The restaurant is covered floor to ceiling with original art and Day of the Dead inspired imagery. There’s even a 15-foot cross made of broken guitars suspended above the dining room. Don’t forget to get an overview shot of your table once your meal and drinks arrive – it’ll be sure to have your DMs blowing up.

Along your stroll you might spot turtles, dragonflies, different birds and even deer – outdoor enthusiasts, rejoice!

Located south of Commissioners Road and east of Wellington Road, adjacent to the Tourism London Welcome Centre, **Westminster Ponds** is a fan favourite for locals and tourists alike. You may have seen this iconic Environmentally Significant Area featured in the feeds of many. Now it’s your chance to get in on the action. that John Kinder Labatt first started brewing beer in London, Ontario back in 1847?

For over 170 years, Labatt has been brewing excellence and laying the foundation for London’s love for a cold pint.

Visit a number of beloved, locally owned small-batch breweries and distilleries dedicated to making exceptional craft beer and cocktails right here in London.

Head over to Old East Village’s (OEV) Anderson Craft Ales. Focused on small-batch, handcrafted premium hop-based ales, you can visit their tap room or take cans, kegs and growlers to go.

While there, stop by London Brewing. Known as only one of two certified organic craft breweries in Ontario, and the first Craft Malt Certified brewery in Canada, they seek to create great beer and have a positive impact on the community.

During your time in OEV, you’ll want to make a stop at the newly revitalized Kellogg’s factory, 100 Kellogg Lane. There you’ll find Powerhouse Brewing Company. Brewing five core brands as well as local collaborations and seasonal brews, there’s always something new to try or take home.

Before you leave OEV, you’ll want to check out Dundas & Sons Brewing Company. Big supporters of both the art and music scene, this nano brewery serves up locally sourced organic craft beers, wines, spirits, cocktails and food.

Storm Stayed Brewing Company believes it takes more than just quality ingredients, sound science and innovative techniques to make a brewery special. Feel welcomed into the neighbourhood of the Coves near Old South. They are proud to warmly welcome all of those who visit the modern, dog friendly taproom or patio!

Forked River Brewing Company is always brewing something new. Known for their three flagship brews, they also have a selection of rotating seasonal flavours. The newly expanded taproom makes it the perfect place to enjoy a flight or glass.

If a cocktail is more your style, London is home to two fantastic distilleries. Nestled in 100 Kellogg Lane, Paradigm Spirits Co. is on a mission to share their passion for spirits and cocktail culture with the world. The former Kellogg processing facility allows them a unique opportunity to produce spirits using many of the same ingredients used in cereal production that are grown and harvested within the region.

Union Ten Distilling Co. located in OEV, couldn’t be more enthusiastic about small-batch spirits – those liquors that were lovingly created through dedication to the craft, using innovative methods and natural ingredients. A truly unique experience.

If you’re headed downtown, you’re going to want to stop by Toboggan Brewing Company. With eight core brands always on tap, they also have a rotating number of seasonal brews that change regularly.

Beerlab! is London’s craft brewery that specializes in experimental, small-batch beers, passionately brewed in-house. Conveniently located in the heart of downtown London, this is the perfect spot for an outing with friends or before an event at Budweiser Gardens.
Nestled on 33 acres of rolling countryside, Elm Hurst Inn & Spa has been a southwestern Ontario landmark since 1872.

FOR THE CULTURE LOVER: LONDON’S MUST VISIT MUSEUMS

Calling all cultural connoisseurs! Whether you're interested in strolling through art museums, visiting the birthplace of medical marvels, brushing up on military history or getting up close and personal with a historic jet aircraft, London has a diverse selection of museums waiting for you to explore!

Are you a military buff? The Royal Canadian Regiment Museum is one of the oldest Canadian museums, dating back to 1886. Located in the historic Wolseley Barracks, home to the 31st Canadian Brigade Group, the museum features interactive, hands-on exhibits showcasing the regimental history from the 1800s all the way up to present day.

Discover the fascinating history of the modern Royal Canadian Air Force at the Jet Aircraft Museum and immerse yourself in military and aviation artifacts. Step inside the hanger and get up close with historic aircrafts or take to the skies and experience the thrill of flying in a vintage training jet!
Uncover the mystery and charm of the **Eldon House**, London's oldest residence. Overlooking the forks of the Thames River, this 1834 home holds rich history and tradition. Explore the historic property at your own pace with a self-guided tour and be sure to take a stroll through the beautiful gardens outside which have been re-created just the way the Harris family kept them.

Focused on the rural communities and townships of London and the surrounding area from 1820-1920, **Fanshawe Pioneer Village** is where the past is present. New this year, you can visit London’s historic fugitive slave chapel. Dating back to 1848, the chapel was London’s stop on the underground railroad.

Bound to have something that everyone digs, the **Museum of Ontario Archaeology** is working to understand and interpret the human occupation of Southwestern Ontario over the last 13,000 years. The main gallery takes you on a journey back in time to what life would have been like in the area at the end of the Ice Age all the way up until European settlers arrived.

What about a history experience that’s geared towards the kids? London has that, too! The **London Children’s Museum** allows the little ones to learn about and explore history and culture in a hands-on, fun way! The kids can learn to dig for dinosaur bones, become a teacher in a one room schoolhouse, crawl through an igloo and blast off to another planet in a spaceship!

As Canada’s first and only UNESCO City of Music, London has a rich musical history. The **London Music Hall of Fame** honours local musicians and their outstanding musical contributions. You'll gain a unique perspective into the musical talent from London's past and you'll learn about the inductees through their biographies while enjoying musical treasures and artifacts along the way!

All these great museums and exhibits tie into the rich history and culture that exists in London and the surrounding area. It doesn’t matter what type of history buff or art lover you are, or if you’ve just started exploring new interests, there is bound to be a museum that will have you looking to learn more!
MUSIC

A CITY OF MUSIC

In November 2021, the city was designated a UNESCO City of Music – earning the only such honour in all of Canada – for placing creativity and cultural industries at the heart of its development plans. Fact is, from music education to incubation and events, London continues to nurture, develop and strengthen our music sector – connecting us to the world. And there’s plenty to enjoy, live and in-person.

LIVE MUSIC VENUES

A wealth of incredible and unique music venues treat both locals and visitors nearly every day of the week; from huge showstopping arena events, to intimate acoustic offerings.

Budweiser Gardens, located in the heart of downtown, boasts seating for over 10,000, and continues to welcome a wealth of both national and international talents in a variety of genres, from Shania Twain to Slayer, Selena Gomez to Imagine Dragons and more. They’ve also rolled out the red carpet for the country’s industry elite, playing host to the Canadian Country Music Association Awards (in 2016 and 2021), as well as the 2019 JUNO Awards.

Just down the street, London Music Hall is known as a premier stop for epic touring acts making their way through Southern Ontario, with a long list of headliners including Snoop Dogg, Lights, Dashboard Confessional and Loud Luxury.

WHAT’S A NIGHT OUT ON THE TOWN WITHOUT SOME GOOD EATS?

Be sure to stop and enjoy some local flavour on the way to any of London’s unique music venues. Whether it’s a quick bite before the show, or some post-concert cocktails, we’ve got you covered at: londontourism.ca/food-and-drink
MUSIC RETAIL

In addition to incredible venues and locales, London’s lyrical legacy also comes in the form of amazing retail offerings, perfect for any visiting musician or music fan. **Music City Canada** is a fun, family-run music mecca, based right here in the Forest City. A collaboration of all brands under one roof staffed by industry professionals, the space at Charterhouse Crescent is more than just a store. It is a community where artists can feel at home, with services and supplies for professional touring musicians, DJs, venues, event promoters/planners and more. They also have a wide selection of instruments, as well as rehearsal space and a world-class recording studio.

For those looking to add some new tunes to their collection, London’s record stores are a cut above and are sure to satisfy, including local favourites **Speed City Records**, **Grooves**, **Odyssey Records** and **The Village Idiot**, just to name a few.

MUSIC HISTORY

Finally, if history is what you’re after, the **London Music Hall of Fame** – located right on Dundas Place – is a treasure trove of nostalgia, from some of the city’s most notable names. The only one of its kind in Canada – this love letter to our local musical legacy features more than 40 acts representing every musical genre from opera to punk, with glass cases packed full of awards and guitars, costumes, vinyl recordings and more.

Ty Cobb, Honus Wagner, Sachel Paige and Fergie Jenkins, who even played for London after retiring from Major League Baseball. At a time when baseball was still segregated, Labatt Park welcomed players from all genders and backgrounds including some of the top African American and women’s teams in North America. And from 1989-1993, London was home to the Detroit Tigers minor league affiliated team, the London Tigers, who also played their games at Labatt Park.

ESTLED IN THE HEART OF DOWNTOWN LONDON, and with epic views of the city’s skyline, this 5,200-person capacity stadium has also been named “Canada’s Favourite Ballpark” by Baseball Canada.

In 145 years of operations, Labatt Park has amassed an incredible history with some of baseball’s most legendary players visiting the park. Fans may recognize iconic names such as

TAKE ME OUT TO THE BALL GAME

With a history dating back to 1877, Labatt Park has the distinct honour of being the world’s oldest continually operating baseball grounds as per Guinness World Records.
In July 2021, the City of London began offering guided tours at Labatt Park to learn more about the rich history and the important impact the park has had on London community and the game of baseball. As part of these tours, guests can wander onto the outfield to play a game of catch, get a view of the park from the dugout and step inside the original 1940’s clubhouse which is still used today. Baseball enthusiasts will be amazed by the incredible stories and unique artifacts on display noting important moments in time in London’s rich baseball history.

Baseball is still being played annual at the park by the London Majors who, in 2021, won their first Intercounty Baseball League (IBL) championship in 50 years!
