

Welcome to Westminster Ponds, London's largest environmentally-significant area!

Play wildlife BINGO while you enjoy the spring weather, brought to you by ReForest London. While you're out there, don't forget to take some pictures of you & your bingo sheet and tag us - we'd love to see what you discover on your walk! No pen? A muddy thumbprint works! Or you can just keep a special eye out for these items.

About ReForest London

ReForest London is a non-profit organization dedicated to partnering with our community to enhance environmental and human health in the Forest City, through the benefits of trees.

Our Goals

- **Empowerment** - Empower community groups, businesses, and individuals to plant and care for trees.
- **Ecosystem health** - Improve London's environmental health through planting trees and shrubs in natural areas, parks, yards and along streets.
- **Education** - Educate Londoners about the importance of trees and how to plant and care for them.
